CLASS DESCRIPTIONS

Animal Movement Training (Levels II and III)

Increase your mobility, flexibility, strength. Explore this ground based muscle movement class that utilizes bodyweight to help achieve tone and balance. Challenge yourself with full body static holds and form specific motion that mimics animal moves. *participants must be able to kneel. No wrist movement impairments.

Barre (All levels)

This is a hybrid class that combines ballet-inspired moves with elements of Pilates, dance, yoga, and strength training. Taught with a ballet barre, participants can expect a variety of music and a lot of low weighted repetitive movements.

Boot Camp (Level II, III)

Experience cardio & toning in an intense athletic style workout that incorporates weights, steps, drills, running/walking and much more. You will love the variety this class offers.

Burpee Boot Camp (Level II and III)

The burpee is a great exercise to increase cardio, respiratory endurance, core strength and upper body strength. Burpee Bootcamp will incorporate a variety of burpees in every class along with high intensity training, running, and boot camp drills. All fitness levels are welcome, modifications available for all exercises.

Chair Yoga (Levels I and AOA)

Experience yoga through a complete series of seated and standing yoga poses. Chair support is offered to safely perform a variety of seated and standing postures designed to increase flexibility, balance and range of movement. Restorative breathing exercises and final relaxation will promote stress reduction and mental clarity.

Cycling (Level I, II, III)

Pedal in groups, roll over hills, chase the pack, climb mountains and spin your way to burning calories and strengthening your lower body. The cycling program is geared for anyone that can ride a bike and features motivating music, awesome instructors and an inspiring group environment that lets you ride on!

Flow Yoga (All levels)

One hour of gentle, intentional yoga poses designed to challenge your body and skill while relaxing your mind and soul.

Friday Fever (Level I, II, AOA)

40 minutes of low impact cardio, 15 minutes of core strengthening, and 5 minutes of stretches will finish off your week of exercising. This enjoyable mix of cardio and strength exercises in this class will keep you coming back for more!

Get on the Ball (Levels I,II)

Designed to improve strength and endurance of the core and back, this workout will also improve your balance and stability. Classes include weights, bands, stability balls, and mats to focus on inner and outer strength.

Gentle Yoga (All levels)

Through slow paced and intentional movements, you will be guided through a nurturing, yet effective, sequence. Time is spent breaking down fundamental poses and exploring balance postures in an effort to bring awareness on to the mat and into your body. This class offers the time and dedicated attention to build a mindful yoga practice, suitable for all levels.

Morning Wake Up Yoga (All levels)

Begin your day with intention through a combination of slow flow and longer holds designed to easily bring movement into the body. Gentle stretching awakens your inner energy and leaves you feeling grounded and refreshed. Benefits of early morning yoga can be plentiful, including a boosted metabolism, injury prevention and healthy sleeping patterns. Offered as a condensed 30 minute class, it can follow an active morning routine or be the start of your day. Skip the coffee and head to yoga instead!

Kids Yoga (Ages 3-8)

A play based movement class that brings in concepts of yoga, stretching and age appropriate strength building activities (no equipment used). Each class includes a warm-up, active period, cool down, and an introduction to relaxation.

R.I.P.P.E.D.

Experience this total body "plateau proof fitness formula" workout, utilizing resistance and cardio training, which masterfully combines Resistance, Intervals, Power, Plyometrics, Endurance, and Diet components of R.I.P.P.E.D. to help you attain and maintain your physique in ways that are fun, safe, doable and extremely effective.

SilverSneakers Classic (Level I and AOA)

Have fun and move to the music through a variety of exercises designed to increase muscular strength, range of movement and activities for daily living. Handheld weights, elastic tubing with handles and a SilverSneakers ball are offered for resistance. A chair is available if needed for seated or standing support.

Strength-N-Stretch (Level I, II, III)

This class is for all levels of fitness. The class starts with low impact cardio, moves to a light stretch, and then isolates each body part for a full body workout. It uses light and/or heavy weights (depending on a members fitness level.) Lastly, it moves to the floor for core workout and the final relaxing stretches.

Strength Train Together/Group Power (All Levels)

STT is your hour of power! This 60-minute barbell program strengthens all your major muscles in an environment with fantastic music and certified instructors. With simple, athletic movements such as squats, lunges, presses and curls, Group power is for all fitness levels. We recommend new participants arrive at least 10 minutes early for set up and class overview.

TRX-H.I.I.T (Level II and III)

High Intensity Interval Training (H.I.I.T) techniques like tabata intervals can be used to super charge your TRX suspension training workouts. The basic H.I.I.T. techniques is to alternate periods of extremely high intensity exercise with short rest periods for a specified number of sets.

Yin Yang Yoga (All levels)

This is a slow-paced style of yoga with postures (also known as asanas), that are held for longer periods of time.

Yoga (All levels)

This class emphasizes a continuous flow of movement, breathing and long holdings. Each part of the body is explored and worked in a deep and mindful way. This practice builds strength, tones, flexibility, detoxifies and relieves stress.

Yoga R & R

RENEW and RELAX your mind and body with low lighting, calming music, deep breathing and stretching.

Zumba (All levels)

Zumba is a fusion of Latin and International music-dance themes creating a dynamic, exciting, effective fitness system! The routines feature aerobic/fitness interval training with a combination of fast and slow rhythms that tone and sculpt the body. Ditch the workout, join the party!
