# ENRICHING KIDS EVERY DAY

## Before & After School Y-Care Milton West & Milton East

### WHAT IS Y-CARE?

Before and After School Y-Care is a licensed program designed to help kids in the community succeed developmentally and academically. We focus on four core content areas: teaching values and social skills, creative expression, health and well-being, and academic achievement.

Y-Care focuses on an educational child care program where our trained staff will help with homework, tutor any children struggling in a particular subject area, demonstrate positive mentoring/role modeling and character development along with the usual fun, physical activities and crafts.

This program runs only on full days of school. Y-Care does not run during winter or spring break. We follow the Milton School District Inclement Weather Policy. If the schools have a delayed start or close, Y-Care will not be offered.

### BEFORE SCHOOL CARE:

Starts at 6:30 am until the start of day.

### AFTER SCHOOL CARE:

Starts at the end of the day until 6:00 pm.  
(This includes early release Mondays)
